

Caumsett Designer Showcase

Mansions & Millionaires' Designers' Showcase 2007 opened Saturday April 21 and runs until June 10 at the former Marshall Field III estate in Caumsett State Historic Park in Lloyd Neck.

A darkened cocoon of luxurious indulgence that combines European and Asian influences, traditional and contemporary elements, is designer Kim Hendrickson-Radovich's take on a "Chambre Chinoise." There's a sound system with a touch pad, and an adjacent reading lounge.
